

STRATEGIC FINANCE

Diploma: Master in Management accounting, 2nd year

Description: Description : Groups of three or four students work on advanced cases in finance (Harvard business school, Darden business school, Insead case studies, ...) that combine international corporate finance, strategy and managerial aspects. After a seminar focusing on the international dimension of corporate finance, students prepare a case study and present their works in front of a jury of academic supervisors. For instance, they could compare the position of pairs of American companies in different sectors.

Hours: 21

ECTS: 2

Level (beginner/intermediate/advanced): advanced

Code UE (to mark on the learning agreement): 3-2M2CG2CS1
